

Forthcoming Military History Conferences

(as of 1 April 2022)

Compiled by Dr. Harold E. Raugh, Jr.

Vice President

International Commission of Military History

PLEASE NOTE: The coronavirus pandemic has caused the cancelation of numerous events and activities, including military history conferences. Successful vaccination programs, however, seem to be easing travel and other restrictions across Europe. Those conferences known to have been canceled or rearranged have been highlighted in “blue.” Please check with the respective conference organizers to ensure any conference you may be interested in attending is still going to be held.

Entries in red indicate new additions since the last update.
